Dear ayelen,

Congratulations! We are delighted to inform you that you have been selected to receive \$25,000.00 in scholarship to attend Berklee as a full-time undergraduate student. This replaces your prior award and may be used no later than its expiration date of January 2020.

This recognition is indeed an honor and a privilege considering the high level of talent and musical promise we have observed during this application period. With the honor of a Berklee scholarship comes the responsibility and commitment to your development in a challenging artistic environment and a future filled with limitless potential. The driving force in realizing that potential has been, and will continue to be, you.

The award will be divided equally over your first two (2) full-time semesters and will be renewed each year through graduation provided you are making satisfactory academic and musical progress during your course of study.

Recipients of Berklee scholarships are required to:

- maintain high academic standards
- take full advantage of the performance, recording, writing and production opportunities available to them at the college
- employ high professional, ethical and behavioral standards in their day to day activities as a member of the college community
- follow the standard renewal procedures of all Berklee scholarship recipients

Detailed information regarding terms, conditions and the renewal of the scholarship can be found [here](#).
